

ABOUT US

Global Solution Biz is a professional receivables management agency specializing in the management of US and international commercial accounts. Founded and led by Collin Enakpoke and Casey Milne, our company boasts nearly 100 years of collective industry experience. We provide effective accounts receivable management services that support our B2B and B2C clients, helping them realize lower costs, gain efficiencies, and increase their bottom line revenue. Our range of services includes commercial receivables management, auto lease deficiencies, skip tracing, receivables management consulting, and asset recovery.
